**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are customers who support broadband competition! My internet provider is a small company that provides better service for less money. They have customer service located in USA, and the best product for the price. Please allow them to stay on the market and to compete with the big companies!
